The mission of Communities in Schools of Cape Fear (CISCF) is to champion the connection of needed community resources with schools to help young people successfully learn, stay in school and prepare for life. CISCF is a local affiliate of Communities in Schools, the nation's largest dropout prevention organization. For over 30 years, Communities in Schools has worked to give every child access to these "Five Basics":

- A one-on-one relationship with a caring adult
- A safe place to learn and grow
- A healthy start and a healthy future
- A marketable skill to use upon graduation
- A chance to give back to peers and community

Get involved with CISCF and realize how education can dramatically alter a community, one child at a time!
